FIFTH COMMISSIONER

Will Probably Be Judge White of Supreme Court.

WHELEW REID IS CHOSEN

The New York Editor Selected as a Peace Arbitrator.

DAY LEAVES FOR HOME IN OHIO.

He Will Arrange His Affairs at Canton So as to Leave in a Short Time For Paris—Mrs. Day Will Accompany Him to That City.

Washington, Aug. 27.—The cabinet was in session two hours and devoted a large share of the time to matters which will come before the peace commission.

At the adjournment Secretary Day announced that four members of the commission had been selected.

They are: Secretary Day, Senators Davis and Frye and Whitelaw Reid.

Mr. Justice White of the United States supreme court is the president's choice for the fifth member.

As to the fifth member of the commission no definite announcement could be made, Justice White's acceptance not having been received.

The membership of the commission being practically completed, Secretary Day arranged to leave for Canton at once in order to make his personal preparations for the trip to Paris.

He will be accompanied abroad by Mrs. Day, who has entirely recovered from her recent illness.

The secretary has already shipped to Canton a number of his personal effects in anticipation of his early retirement from the head of the state department.

Assistant Secretary Moore admitted his selection as secretary of the commission. He said he had not decided when he would resign his post as assistant secretary of state, but that it probably would be within a fortnight. He had a long conference with the president at which some of the plans of the commission were discussed. Secretary Day also had an interview with the president.

Ordered to Investigate.

Washington, Aug. 27.—One of the complaints which had been made was in regard to the Eighth New York at Chickamauga. It is stated at the war department that General Boynton in command at Chickamauga, had been ordered to make a thorough and complete investigation of the hospitals at that place, to ascertain how the men have fared and report all the facts to the department. If there has been any shortcomings he is instructed to ascertain who is responsible and to include the names of those found faulty in his report. There seems to have been neglect in carrying out the order of the department, number 116, which allowed 60 cents a day to all soldiers in hospitals, the amount to be a general fund from which could be drawn money to purchase delicacies and necessities for the sick soldiers. This order is dated August 10.

One Ohio Volunteer Dies.

Washington, Aug. 27.—The transports Yucatan, Hudson and Catalina arrived at Montauk Point with several regiments from Santiago. The arrival of the ships was reported to the war department by General Wheeler, in command of Camp Wikoff. During the voyage four deaths occurred on the Yucatan, one on the Hudson and nine on the Catalina. Among the list of dead was C. B. Crubaugh, private, company A, Eighth Ohio volunteers; Major George McCreery, surgeon United States army.

Attaches of Commission.

Washington, Aug. 27.—The following attaches of the peace commission have been selected and will be appointed by the president: John Moore of Massachusetts, now assistant secretary of state, to be secretary of the commission; and J. R. MacArthur of New York to be assistant secretary. Mr. MacArthur was formerly first secretary of the United States legation at Madrid and is now on special duties at the state department. He has had considerable experience in work of a diplomatic nature.

Thanked by the President.

Washington, Aug. 27.—President McKinley has written a letter congratulating the army and navy Christian commission on its work among the soldiers during the war. The letter is addressed to John J. McCook of New York.

Under Hastings' Care.

Chickamauga, Ga., Aug. 27.—Governor Hastings of Pennsylvania will

soon arrive at the camp with a hospital train on which he will carry 100 sick Pennsylvania soldiers to their homes.

Cheered the Boys Up.

Washington, Aug. 27.—The president has received the following letter from General Joe Wheeler at Camp Wikoff, Montauk Point, N. Y.: "I was very glad to hear that you would visit Montauk Point very soon. The visit of the secretary of war has accomplished more than I can express. He has promptly corrected evils, made valuable suggestions, given directions regarding administration. In addition his personal visit to 1,500 sick soldiers in the hospital has cheered them up and it is difficult to adequately convey to you the change for the better since the secretary's arrival. The announcement that you will visit the soldiers has already added to this improvement and your presence here for even a single day will accomplish good, the great extent of which you can only realize after you have made your visit."

RIOTING AT CAVITE.

Two Lively Clashes Between Natives and Uncle Sam's Troops.

Manilla, Aug. 27.—There has been a very serious clash at Cavite between United States soldiers and the insurgents, the riots resulting in the killing of two soldiers and the wounding of four others.

George Hudson, a member of the Utah battery, got into a dispute with a native shopkeeper. Fearing trouble he fired his revolver in the air to attract the attention of his fellow-soldiers. A great crowd of natives ran to the scene of the disturbance and at once began firing their revolvers, killing Hudson and fatally wounding Corporal William Anderson of the same battery, who had hurried to the assistance of Hudson. A detachment of the Fourth cavalry was called out and dispersed the Filipinos, who continued to fire their revolvers as they retreated, but without doing any more harm. Troopers Laydon, Nacher, Connolly and Doyle of the Fourth cavalry were wounded. Four natives were killed and several wounded.

On the same night some of the soldiers doing guard duty saw a large party of natives stripping the wreck of a gunboat, which was lying in Cavite bay. A boat with an armed force was put off from the shore. The soldiers hailed the natives, who failed to answer. Then the soldiers fired a volley, killing one and wounding another.

General Aguinaldo promptly denied any connection between the natives in these affairs and his army.

Admiral Dewey has transferred his flag to the cruiser Baltimore, the Olympia, sailing for Hongkong to be docked and cleaned. The Raleigh left for the same port Wednesday night.

War is a Tragedy.

Washington, Aug. 27.—"War is a tragedy, from one end to the other," said a prominent officer of the department. "There were some people who thought it was a picnic, and that the war in Cuba was to be a holiday time in Cuba. No man who considers the matter knew anything about the climate, the difficulties and the trials which would have to be undergone, felt that way. They expected hardships, expected that the troops would enter the portals of danger and death, would have to face bullets and fever. It is only wonderful that we have got off so easily. Our losses are less than expected when the war began."

Yellow Fever on Board.

Washington, Aug. 27.—Dr. Wyman, surgeon general of the Marine hospital service, has received official information that a case of suspected yellow fever exists at the artillery post at Fort Point, near Galveston, Texas. The strictest isolation of the case will be enforced until the true character of the disease is closed. A telegram from the Dry Tortugas states that the Vina, just arrived there from Havana, has four suspicious cases of yellow fever on board. The vessel has been quarantined.

Want to Be Discharged.

Nassau, N. H., Aug. 27.—Governor Ramsdell sent a message to Adjutant General Corbin asking for the third time that the First New Hampshire regiment be discharged from duty. The action was prompted by the receipt of a telegram from Councilor Cummins, who is at Chickamauga looking after the New Hampshire soldiers, that sickness is increasing.

Detailed as Interpreter.

Washington, Aug. 27.—Captain Juan S. Hart, First regiment United States voluntary infantry, has been detailed to duty as interpreter to the American military commissioners in Cuba, and has been ordered from Galveston to Washington, reporting to Major General Wade.

Arrived From Ponce.

New York, Aug. 27.—The British steamer Silvia, Captain Clark, arrived from Ponce, Porto Rico, sailing from

that port on Aug. 20. The Silvia brings 38 cabin passengers, but was unable to take any charge on board, owing to her being a British steamer.

Fruit For Soldiers.

New York, Aug. 27.—A carload of fruit sent by fruit raisers in the neighborhood of San Diego, Cal., for the soldiers at Montauk Point, through Miss Helen Gould, arrived at Weehawen and was ferried around to the Long Island railroad in bulk.

New York, Aug. 27.—The United States steamship Prairie is reported to be ashore three miles east of Amanagansett, Long Island. She has 400 troops aboard. All are reported as safe and well and assistance has been sent.

Twenty-Fifth to Debar.

New York, Aug. 27.—The United States transport Comanche has arrived from Montauk. The Comanche landed 590 officers and men of the Twenty-fifth infantry at Montauk from Santiago.

Banquet to Spanish Officers.

Madrid, Aug. 27.—The Spanish army officers who arrived on the steamer Alicante, which reached Corunna on the 24th inst. with the first of the Spanish repatriated soldiers, were given a banquet by the representatives of the Madrid press at Corunna. The officers declared that both the American and Spanish nations adhered to the methods of civilized warfare throughout the campaign. They conceded the superiority of the American artillery.

Sixth Ohio to Move.

Chickamauga, Ga., Aug. 27.—The movement from Camp Thomas is progressing much more slowly than General Breckinridge and his officers anticipated, and much complaint is expressed on all sides. The regiments are ready to move, but they are unable to secure transportation. If the present rate of progress is maintained all the regiments can not be gotten away for several weeks. The Ninth Pennsylvania loaded on trains at Rossville for Lexington. The Second Missouri and the New Hampshire marched to Ringgold, Ga., where they loaded for Lexington. These three regiments compose the Third brigade, Third division, Third corps. General Andrews' brigade command, with his staff, left for Lexington. The First West Virginia and the Sixth Ohio are making preparations to leave for Knoxville Saturday.

Must Consult Uncle Sam.

Madrid, Aug. 27.—The cabinet was in session again. Senor Sagasta said the government was principally occupied with the position of the troops that had capitulated at Manila. It would be better, he thought, to transport them to the Visayas islands than to bring them home, but the question must be decided by agreement with the American government. It depended upon whether or not the troops were considered prisoners of war.

Officers Like Their Jobs.

Washington, Aug. 27.—General Gobin said that he had received no orders looking to the movement of troops at Camp Alger of their mustering out. The principal topic among the soldiers is the likelihood of their being mustered out, 95 per cent of the men, it is said, desire to go home. The officers, as a rule, prefer to remain in the service.

Will Soon Be Deserted.

Chickamauga, Ga., Aug. 27.—By Monday morning the entire First army corps will have gone from Camp Thomas. The regiments that left during the day were the Ninth Pennsylvania, First New Hampshire, for Lexington, and the First West Virginia for Knoxville. The Sixth Ohio will leave for Knoxville in the afternoon.

One Death En Route.

Boston, Aug. 27.—The first of the five sections of the train bearing home the First Maine volunteers from Chickamauga arrived here with 172 officers and men under the care of Surgeon Elliott of the regiment. There were no serious cases, two of whom were very low when the train reached here. One death occurred on the journey.

To Examine Transports.

Paris, Aug. 27.—President Faure and Emperor Nicholas exchanged telegrams in honor of the first anniversary of M. Faure's visit to Russia.

REVIEW OF TRADE.

Volume of Business Increases, but Wheat Takes a Drop.

New York, Aug. 27.—R. G. Dun & Company, in their weekly review of trade, say:

The volume of business reflected in exchanges at the principal clearing houses is 20.4 per cent larger than last year and 26.8 per cent larger than in 1892, heretofore the year of largest business and highest prosperity ever known.

Part of this increase was due to speculation at New York, but there remains a healthy increase over the best of previous years, and though in some branches business is not satisfactory in character, in nearly all it is in volume larger than ever before.

No unfavorable change appears in the prospect of crops, upon which the welfare of the country so largely depends, nor is there present or threatening financial disturbance.

Europe has not wearied of buying American securities, although some speculators have been selling, nor is there shown any want of confidence in American investment.

Wheat goes down three cents for the week, as if there were no foreign demand coming.

Fraud in Japan.

Seattle, Wash., Aug. 27.—The steamer Rio Jun Maru brings intelligence that the Japanese commercial world is being torn to its center by the discovery of enormous frauds in the management of the Tokio Warehouse company (Higo Soko Kaisha). Up to time the Rio Jun Maru left the Orient the investigation of frauds showed the deficiency of over 500,000 yens.

A POOR LOT OF ASSETS

Sensational Rumors About the Pythian Finances.

PRIZES FOR DRILL AWARDED

Partial List of Officers Elected by the Supreme Lodge—Report in Reference to Insurance Feature of the Order.

Indianapolis, Aug. 27.—The supreme lodge Knights of Pythias adjourned session at 7 p. m.

The following officers were elected: Supreme chancellor, Thomas G. Sample, Allegheny, Pa., and supreme vice chancellor, Ogden H. Feathers, Wisconsin. The men elected were on the slate of the present administration.

Much of the morning session of the supreme lodge was devoted to the consideration of the report of John A. Hinsey, supreme organizer of the endowment rank, of the condition of that organization.

At the first session of the supreme lodge on Tuesday a resolution was passed asking that a complete and detailed report of the condition of the endowment rank be made at once.

Mr. Hinsey explained that this could not be done without sending to Chicago for the data, and accordingly the supreme lodge asked that this be done and that time be given him to have the report here. Mr. Hinsey was on hand with his report. It was read and a motion was made that it be adopted.

Representative Shively moved that the report be printed. Friends of the official household objected to this step and the debate waxed warm. Representatives Pichie, Riddle and a number of others supported Mr. Shively's motion and it finally prevailed after over two hours had been spent in discussion. Mr. Hinsey said afterward that he was willing to have the report printed.

Vague rumors were floating about among the supreme representatives as to the condition of the endowment rank. This is the insurance branch of the order and has 53,579 members carrying insurance amounting to \$99,261,500.

The statement of the board of control shows the resources to be \$523,276.62. It is charged that \$91,708 is entangled in the affairs of a defunct national bank of Fort Worth, Tex., and nothing but a judgment against bondsmen represents this money.

Also that the \$236,127.39 invested in a hotel building property at Chicago, which is now in the hands of a receiver, is nothing more than a fifth lien on the property.

These rumors are as yet vague and indefinite. This was the meaning of the resolution introduced in the supreme lodge by Dr. Sutphen of Ohio. The committee appointed to investigate into charges made against the supreme officers has been in session two days, but is not yet ready to report.

The Rathbone Sisters elected the following officers: Supreme chief, Mrs. Jeanette B. S. Neubert, Kansas City; supreme senior, Mrs. L. K. Sherman, Cleveland, O.; supreme junior, Mrs. Dell P. Glazier, Fort Madison, Ia.; supreme manager, Mrs. Hattie A. Rider, Indianapolis; supreme mistress of records and correspondence, Mrs. M. D. Woods, Kansas City; supreme mistress of finance, Mrs. Axeline Murray, Levay, Ills.; supreme protector, Mrs. Florence I. Shoff, Corsicana, Tex.; supreme guard, Miss Maggie Hewitt, Portland, Me.

Camp Colgrove is almost a thing of the past. The last formality was the award of the prizes.

In class B the first prize, \$500, was awarded to Cuor de Leon company, Lancaster, O.; second prize, \$400, Vigo company No. 83, Terre Haute; third prize, \$300, Alpha company No. 45, Louisville, Ky.; fourth, \$300, Jeffersonville, Ind., company. The Jewel prize valued at \$100 for the best company commander in class B was awarded to Benjamin F. Gray, captain of the Louisville company.

The awarding of prizes to the subordinate lodges of Indianapolis for good showing in the street parade was as follows:

Darlington lodge, first prize, \$400; Hatfield No. 433, Newton, second prize, \$200; Center lodge, Indianapolis, third prize, \$150.

Japan Is Satisfied.

Washington, Aug. 27.—Minister Buck, at Tokio, Japan, writes the department of state that he has observed no dissatisfaction there in consequence of the annexation of the Hawaiian islands to the United States since annexation has become accomplished. The government and people alike seem to be satisfied that our government will fully protect the rights and interests of Japan and of Japanese subjects in those islands.
